DOGGR UIC Memo of Expectations May 10, 2010.pdf

Kate just forwarded this. It looks like it's in response to the audit. I had not seen it. It would seem they were trying to correct some of the deficiencies by putting these procedures in place, they just have not followed them. Thanks Kate.

Hi Michele – See attached. See page 3, 'Note'. There is a discussion about 'major aquifer exemptions' and 'minor'. May not be anything important but thought you should see it.

Sorry for the delay, but the LotusNotes function to provide a ready link to a document in G//share.... does not work reliably!!!!

So simply enough, here is the document and its location path.
